

## Winter Warm-up Coat and Winter Wear Drive

For someone who spends the winter unsheltered on Raleigh's streets, warm clothing offers not only comfort, but also survival. In fact, hypothermia can become a danger even in temperatures as mild as 50 degrees. Our winter ministry provides blankets, coats, gloves, scarves, hats and other cold weather gear for men, women and children who would otherwise have no protection on the coldest days and nights.

You can help us stock our coat closets this winter by collecting new or gently used:

- Men's, women's and children's coats (adult XL or larger coats most needed)
- Toboggan-style knit hats
- Thermal Gloves
- Scarves
- Thermal socks
- Hand Warmers
- Full Sized Blankets
- Sleeping bags

### **Drop coats and winter wear items off at:**

Raleigh Rescue Mission Donation Center  
4700 Capital Blvd. (SE corner Millbrook & Capital)  
Monday-Friday 10am-5pm, Saturday 9am-5pm
